

Quality Policy

At Hillock Anodizing, Inc. we are focused on our customers' ultimate success and satisfaction, and are committed to providing:

1. **EXCEPTIONAL SERVICE:** Ensuring efficient communication and unwavering commitment to on-time delivery.
2. **QUALITY PRODUCTS:** Maintaining strict adherence to customer requirements through dedicated training and rigorous quality control.
3. **VALUE THROUGH INNOVATION:** Delivering engineered, performance-driven anodic coatings and competitive pricing by continuously improving our processes and embracing the latest technological advancements.

A handwritten signature in black ink, appearing to read "John Hillock".
